

Dear Parents,

Welcome! We are anticipating a great year full of learning and growth! Our journey of learning will encompass, Holidays, Parshah, Hebrew reading, good character traits, and much more! We hope that it will be a year full of accomplishments for your child.

The following are some important points that will be helpful for you to know.

❖ Parshah Questions:

Your child will receive a weekly newsletter. Included will be questions on the Parshah, or the upcoming holiday. Please go over the questions with your child. The students that bring back the question sheet signed will receive a prize.

❖ Kriah- Hebrew Reading.

With Hashem's help we will be learning how to read Hebrew words this year. It will be a long, but steady process. Please make sure your child completes the Aleph Bet sheets that will be sent home.

❖ Mitzvah Notes:

If you see your child doing a good deed, ex. helping out at home, listening quickly, or any positive deed, please share it with us!! It can be written on a note and sent to school in the folder (each student will receive a folder). Every morning the mitzvah notes will be read to the class. Please try to send them in daily; it will make your child's day!

Looking forward to wonderful year!

Feel free to contact me with any questions at (732) 905-0151 or rochel.weinstein@jewishlittlestar.org.
