

## Kindergarten Tuition Policy 2021-2022

Oorah is sincerely grateful for the opportunity to help you give your child a solid Jewish education. We share the goal of giving your child the many emotional, intellectual and spiritual benefits of our Jewish heritage, and it is clear that a comprehensive Jewish education is integral to reaching this goal. The Kindergarten tuition cost is \$400 per month. To help you give this wonderful, life-long gift to your child, we are pleased to offer you the following tuition assistance for the coming school year:

- \$100 off per month scholarship
- An additional \$100 off per month scholarship for joining our Torah Mates or Torah Spot/Ask The Rabbi program
- An additional bonus of \$100 off per month for each parent who participates consistently in our once-a-week Torah Mates or Torah Spot program. Torah Mates, our one-on-one adult learning program, lets you keep up with your child's growing knowledge of Judaism. This way, you can grow together as a Jewish family, creating the best possible situation for your children. The Torah Spot/Ask The Rabbi class by Rabbi Chaim Mintz, takes place every Tuesday night at the Torah Spot building.

In order to qualify for the bonus, you will need to keep us informed of your Torah Mates participation by logging onto our Torah Mates website, [www.torahmates.org](http://www.torahmates.org), and logging in the time that you spent learning. More detailed information will follow in the Torah Mates Welcome envelope that you will be receiving. The Torah Spot/Ask The Rabbi attendance is marked by a sign-in sheet at the actual class.

In order to sign up for the Torah Mates program please sign up right away at [tuition.oorah.org](http://tuition.oorah.org). **By both parents joining the program, your child's tuition can be completely free. Failure to abide by the program will result in a bill for the regular discounted tuition fee.**

Please note: Tuition is due even if your child is out of school for any period of time, for any reason.
